### WELCOME TO THE WONDERFUL WORLD OF BOOKS

## Cheap Books, Fantastic Choice

If you're looking for great value second hand books, then World of Books is the place for you. As you may already know, we aren't like other online book stores. For starters, we don't believe that books should only be read once, or have a single owner. Literature should endure and be continually recycled, which is why we help millions of used books find new homes every year.
